

# SAMPLING IN HOTELS

## SUMMERTIME MADNESS

20.000 tourists/ weekend

### QUALITY CONTROLLED DISTRIBUTION

We place your product(s) inside hotel rooms, so tourists can enjoy them, when they arrive, as a welcome surprise or during their stay

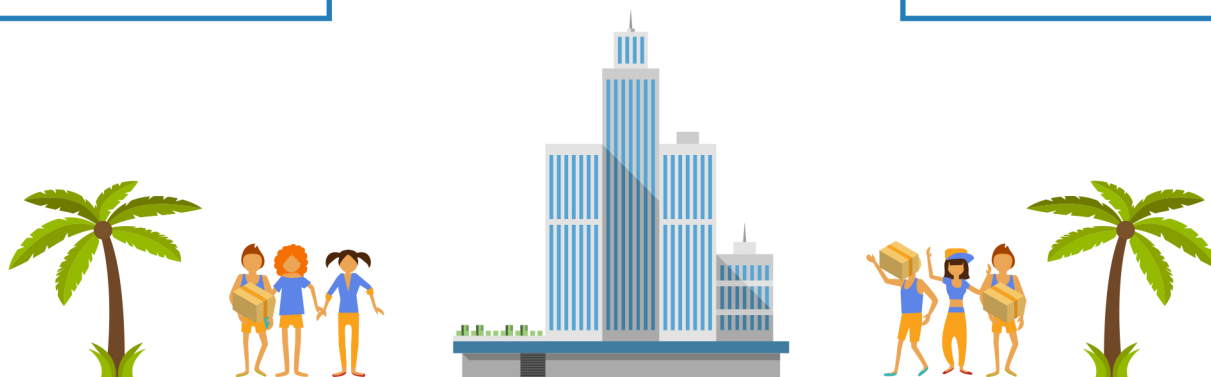

### ACCESS IN 90% OF ALL HOTELS

from Mamaia all the way to Vama Veche

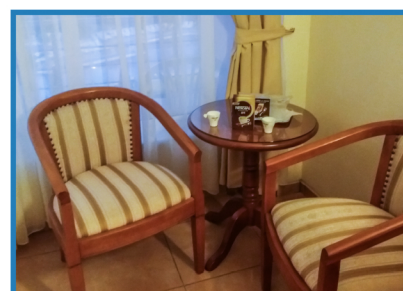

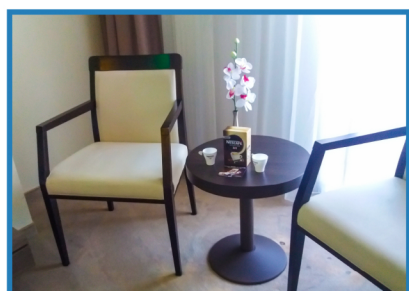

### VERY EFFECTIVE

Products relate to tourists' needs. Example: coffee, sweets, beverages on the table or inside the fridge; cosmetics in the bathroom, etc

For each 100 hotels distribution, we work with 20 people

## The process

1 Choose your product

2 Send it to our warehouse in Constanta. Products received are unloaded and stored until placement.

3 Our guys take them safely to the hotels. When the time is right, our people organize the products for each hotel and load them safely in trucks

5 You receive a final report with photos and feedback from the hotel

4 Products are unloaded at hotels you selected and promoters start placing them in hotel rooms.
